Good afternoon, Mrs. [REDACTED] Even though you are mistaken on the balance? But I'm not in the mood to argue that right now. Re-read my complaint and see exactly what all I disputed.

That being said, does Ameren accept cashiers checks? If I get a cashiers check for the full balance , will Ameren accept it? I'm willing to get a cashiers check tomorrow for the entire balance as send it, if Ameren will hold the account for 10 days, to receive payment.

As for mailing address , don't blame me. I don't appreciate that. I have an international company and company in [REDACTED] that I travel to quite often for business. I depend on mail being sent to those right now. I have it going to my RA's to insure, when I'm there that I'm receiving any bills.

Let's get back to everything here. What's my total balance owed, if Ameren will accept a cashiers check, I will gladly pay the full balance (just to get this taken care of no more payment agreements essentially.) I will get that in transit and supply a tracking number Wednesday at the latest. But I want 7-10 days , and no threat of disconnection for receipt, receiving and processing of cashiers check to Ameren.

If you can run that by legal, I will gladly do that for Ameren. Let me know by 5pm today, if that works for you and I'll get that issued by my treasury department for payment.

My legal counsel doesn't participate in MOPSC matters, that's not his range of scope. Corporate litigation they participate in.
