

II. NEGOTIATIONS AND TIMELINE

7. The CLEC Coalition's response to SBC's and Staff's pleadings concerning the timeliness of the filing of the Petition by SBC is being provided in a separate pleading.

III. SUMMARY OF ISSUES TO BE ARBITRATED

8. SBC filed the proposed interconnection agreement ("ICA") divided into conventional subject matter attachments, generally as those attachments have been organized in the Parties' current Missouri 271 Agreements. In addition, SBC filed a series of Decision Point lists ("DPLs") that lay out the disputed contract language as well as the Parties' preliminary position statements. The CLEC Coalition was permitted to review drafts of the DPLs and to populate those drafts with the Coalition's position. For the most part, the attachments and DPLs were properly done, and the CLEC Coalition concurs in their filing. In the case of the UNE DPL, however, SBC has omitted or misstated issues, or made other substantive errors in the filed DPL. Corrections to that exhibit are attached hereto as Exhibit A. Where SBC simply omitted Coalition position statements (such as in the Resale, NIA, Clearinghouse, and White Pages attachments) or made non-substantive errors (including non-substantive errors in the UNE DPL), the Coalition will provide corrections directly to SBC for use in the next round of filed DPLs. Also attached as Exhibit B is the CLEC Coalition's pricing schedule. This amended schedule shows all prices as disputed, but also adds back a number of prices that SBC omitted in filing this attachment to its arbitration petition. Those omissions are shown in underline format.

9. In addition, the Coalition provides the following summary of its position on issues it considers most important in this arbitration. The members of the CLEC Coalition note that the Parties in the proceeding continue to negotiate and that, as a result of this activity, the Parties'
