Case No. MC-2025-0108

JOINT STATUS REPORT

Complainant and Respondent, by and through counsel, make this further status report in compliance with the Commission’s Order dated April 2, 2026.

With respect to the anticipated work quotes bearing upon a potential resolution of this matter, Respondent has been unsuccessful in securing quotes and appears to have exhausted this effort. Reportedly, one quote may be provided today. The parties nonetheless have started discussions of other ways to potentially resolve this matter by agreement if this quote does not materialize or is unacceptable and if no others are available.

By June 11, 2026, the parties will provide a further report on the progress of these discussions and on whether the matter should be reset for hearing.

No further Commission action is requested at this time.

Respectfully submitted,
