Expansion of its Current CCNs in and)	Tracking No. JS-2026-0150
Around Twenty-Two Counties in Missouri)	

STAFF RESPONSE TO COMMISSION ORDER

COMES NOW the Staff of the Missouri Public Service Commission (“Staff”), by and through counsel, and for its *Response to Commission Order*, states as follows:

1. On May 28, 2026, Missouri-American Water Company (MAWC) filed an application requesting that the Commission grant it Certificates of Convenience and Necessity (CCNs) to acquire, own, install, construct, operate, control, manage and maintain water and sewer systems in multiple Missouri counties. The requested CCNs update and clarify MAWC’s existing service areas.

2. On June 1, 2026, the Commission issued its *Order Directing Response* directing Staff to file a pleading stating whether the tariff revisions accompanying these cases (Tracking Nos. JW-2026-0149 and JS-2026-0150) should be suspended pending an outcome in these cases. Staff was ordered to file a pleading no later than June 4, 2026.

3. The tariff revisions accompanying MAWC’s May 28, 2026 application should be suspended.

WHEREFORE, Staff respectfully requests that the Commission will suspend the tariff revisions filed by MAWC (Tracking Nos. JW-2026-0149 and JS-2026-0150) pending the

outcome of these cases; and such other and further relief as the Commission deems just in these circumstances.

Respectfully Submitted,

/s/ Casi Aslin

Casi Aslin

Deputy Counsel
