**RESPONSE TO STAFF RECOMMENDATION**

COMES NOW Missouri-American Water Company (“MAWC”) and as its *Response to Staff Recommendation* respectfully states as follows to the Missouri Public Service Commission (“Commission”):

1. On March 3, 2026, MAWC filed a *Petition to Change a Water and Sewer Infrastructure Rate Adjustment* (“Petition”) with the Commission pursuant to the provisions of the Missouri Water and Sewer Infrastructure Act, Sections 393.1500 and 393.1509, RSMo., and Commission Rules 20 CSR 4240-2.060(1) and 20 CSR 4240-10.185. The WSIRA Petition was filed based on the actual WSIRA eligible investment placed in service for the period November 1, 2025, to January 31, 2026, with estimated WSIRA costs for February 1, 2026, through April 30, 2026, also included. MAWC supplied its final updates on May 12, 2026.

2. On May 28, 2026, the Staff of the Commission (“Staff”) filed its *Staff Recommendation* concerning the Petition. Subsequently, the Staff filed a *Corrected Recommendation* on June 3, 2026.

3. MAWC has reviewed the *Staff Recommendation*, as corrected, and does not object to Staff’s recommended total incremental pre-tax WSIRA revenues of \$18,320,426. MAWC further agrees that this total includes \$12,103,890 from St. Louis County water customers, \$5,797,251 from All Other water customers, \$15,244 from Arnold sewer customers, and \$404,041 from All Other sewer customers.

4. Accordingly, attached as **Appendix A** (water) and **Appendix B** (sewer) are exemplar tariff sheets that MAWC would file and seek approval of as a result of the revenue requirements identified in the *Staff Recommendation*, as corrected.

**WHEREFORE**, MAWC respectfully submits this *Response to Staff Recommendation* and requests that the Commission issue an order approving the WSIRA revenues for MAWC as described herein.

Respectfully submitted,

---
