ORDER APPROVING DEMAND SIDE INVESTMENT MECHANISM RIDER RATE ADJUSTMENT TARIFFS

Issue Date: July 17, 2026

Effective Date: August 1, 2026

On June 2, 2026,¹ Evergy Metro, Inc. d/b/a Evergy Missouri Metro and Evergy Missouri West, Inc. d/b/a Evergy Missouri West (collectively, "Evergy") filed tariff sheets, with supporting testimony, to adjust charges related to their approved Demand Side Investment Mechanism (DSIM) Rider under the Missouri Energy Efficiency Investment Act (MEEIA). The tariffs were assigned Tracking Nos. JE-2026-0158 and JE-2026-0159, respectively, and they have an effective date of August 1.

The Commission issued notice of the filing, set an intervention deadline, and directed the Staff of the Commission (Staff) to submit recommendations.

On June 30, Staff recommended the Commission approve the tariffs in both cases. No responses or objections were received to either the tariffs or Staff's recommendation.

¹ Unless otherwise noted, all dates refer to the year 2026.

Commission Rules 20 CSR 4240-20.093(4) and 20 CSR 4240-3.162(8) require Evergy to make adjustments of its DSIM rates to reflect the amount of revenue that has been over- or under-collected. For Evergy Missouri Metro, the proposed tariff sheet decreases the current residential DSIM Rider rate from \$0.00296 per kWh to \$0.00143 per kWh for residential customers. For a residential customer using 1,000 kWh monthly, this change will decrease the customer's bill by \$1.53 per month.

Non-residential customer impacts would be as follows:

Small General Service from \$0.00603 per kWh to \$0.00142;

Medium General Service from \$0.00633 per kWh to \$0.00054

Large General Service from \$0.00123 per kWh to \$0.00238; and

Large Power Service from \$0.00004 per kWh to \$0.00245.

For a non-residential customer using 1,000 kWh monthly, this would result in the following monthly billing changes:

Small General Service, a \$4.61 decrease;

Medium General Service, a \$5.79 decrease;

Large General Service, a \$1.15 increase; and

Large Power Service, a \$2.41 increase.

For Evergy Missouri West, the proposed tariff sheet decreases the current residential DSIM Rider rate from \$0.00164 per kWh to \$0.00080 per kWh for residential customers. For a residential customer using 1,000 kWh monthly, this change will decrease the customer's bill by \$0.84 per month.

Non-residential customer impacts would be as follows:

Small General Service from \$0.00231 per kWh to \$0.00138;

Large General Service from \$0.00271 per kWh to \$0.00283; and

Large Power Service from \$0.00168 per kWh to \$0.00194.

For a non-residential customer using 1,000 kWh monthly, this would result in the following monthly billing changes:

Small General Service, a \$0.93 decrease;

Large General Service, a \$0.12 increase; and

Large Power Service, a \$0.26 increase.

Commission Rule 20 CSR 4240-20.093(4), regarding adjustment of DSIM rates between general rate proceedings, states that if the proposed adjustments are in accordance with the rule, with Section 393.1075, RSMo, and with the previously-approved DSIM, the Commission shall issue an order approving the tariff within 60 days after the tariff is filed. The Commission has reviewed the tariff sheets, Staff's recommendation and attached Memoranda, and finds that the proposed tariff sheets implementing the DSIM rate adjustments are in compliance with Evergy's existing DSIM tariffs and with all applicable statutes and regulations.

So that the tariff sheets will be effective at the time requested, the Commission finds it reasonable to make this order effective in less than 30 days.

THE COMMISSION ORDERS THAT:

1. Evergy Missouri Metro's tariff sheet, assigned Tracking No. JE-2026-0158, is approved to be effective August 1, 2026. The tariff sheet approved is:

P.S.C. MO. No. 7
4th Revised Sheet No. 49.8, Canceling 3rd Revised Sheet No. 49.8

2. Evergy Missouri West's tariff sheet, assigned Tracking No. JE-2026-0159, is approved to be effective August 1, 2026. The tariff sheet approved is:

P.S.C. MO. No. 1
4th Revised Sheet No. 138.28, Canceling 3rd Revised Sheet No. 138.28

3. This order shall become effective on August 1, 2026.
4. These cases shall close on August 2, 2026.

BY THE COMMISSION

Nancy Dippell

Nancy Dippell
Secretary

Kenneth J. Seyer, Senior Regulatory
Law Judge, by delegation of authority
pursuant to Section 386.240, RSMo (2016).

Dated at Jefferson City, Missouri
on this 17th day of July, 2026.

STATE OF MISSOURI

OFFICE OF THE PUBLIC SERVICE COMMISSION
