ORDER DENYING INTERVENTION

Issue Date: July 29, 2026

Effective Date: July 29, 2026

On June 26, 2026, Union Electric Company d/b/a Ameren Missouri filed a general rate case with the Commission. The Commission gave public notice of the application and set a July 15, 2026, intervention deadline.

On July 22, 2026, Renew Missouri filed an application to intervene. In its application, Renew Missouri stated that it misread the test year response date of July 22, 2026 as the intervention deadline.

Commission Rule 20 CSR 4240-2.075(10) allows the Commission to grant a motion to intervene after the intervention date "upon a showing of good cause." The Commission finds that the misreading does not rise to the level of good cause. Consequently, the Commission will deny Renew Missouri's untimely application to intervene.

THE COMMISSION ORDERS THAT:

1. Renew Missouri's application to intervene is denied.

2. This order shall be effective when issued.
