ORDER GRANTING APPLICATIONS TO INTERVENE AND ORDER SETTING PROCEDURAL SCHEDULE

Issue Date: July 30, 2026

Effective Date: July 30, 2026

On June 26, 2026, Union Electric Company d/b/a Ameren Missouri filed the above-reference rate case. The Commission directed notice and set a deadline for applications to intervene. The Commission received timely intervention requests from: Consumers Council of Missouri; Google, LLC; Sierra Club; IBEW Local Unions 2, 1455, and 1439; Missouri Industrial Energy Consumers; Warrenton DC Owner 1 LLC and Warrenton DC Owner 2 LLC; Midwest Energy Consumers Group; and Amazon Data Services, Inc. More than ten days have passed since the applications were filed and no one has responded.

After considering the unopposed applications to intervene, the Commission finds that the applicants have interests which are different from that of the general public and allowing the applicants to intervene will serve the public interest. Therefore, in accordance with Commission Rule 20 CSR 4240-2.075(3), the Commission will grant the applications to intervene.

On July 22, 2026, the parties filed a Jointly Proposed Procedural Schedule and Procedures. The Commission finds the schedule reasonable, and it will adopt it with slight modifications.

THE COMMISSION ORDERS THAT:

1. The applications to intervene filed by: Consumers Council of Missouri; Google, LLC; Sierra Club; IBEW Local Unions 2, 1455, and 1439; Missouri Industrial Energy Consumers; Warrenton DC Owner 1 LLC and Warrenton DC Owner 2 LLC; Midwest Energy Consumers Group; and Amazon Data Services, Inc., are granted.

3. The Commission adopts the following discovery procedures:

(a) All parties must comply with the requirements of Commission Rule 20 CSR 4240-2.130 for prepared testimony, including the requirement that testimony be filed on line-numbered pages.

(b) Although not all parties may agree upon how each issue should be described or on whether a listed issue is in fact a proper issue in this case, the parties shall agree upon and file a list of the issues to be heard, the witnesses to appear on each day of the hearing, the order in which they will be called, and the order of cross-examination for each witness. The list of issues should be detailed enough to inform the Commission of each issue that must be resolved. The parties recognize that the Commission may view any issue not contained in this list of issues to be uncontested and not requiring resolution by the

Commission. Each party shall file a simple and concise statement summarizing its position on each disputed issue, including citations to pre-filed testimony supporting its position.

(c) All pleadings, briefs, and amendments shall be filed in accordance with Commission Rule 20 CSR 4240-2.080. Briefs shall follow the same list of issues as filed in the case and must set forth and cite the proper portions of the record concerning the remaining unresolved issues that are to be decided by the Commission.

(d) Copies of prefiled testimony and documents served upon the parties before a hearing need not be provided to the court reporter for marking as exhibits where the record clearly identifies the prefiled testimony and documents that are made hearing exhibits. If not prefiled and served upon the parties, then a party who has a document marked for use at the hearing shall have sufficient copies of the document to provide a copy not only to the court reporter, but also to each of the Commissioners, the presiding officer, and counsel for each other party.

(e) All parties shall provide copies of testimony (including schedules), exhibits, and pleadings to other counsel by electronic means and in electronic form, essentially concurrently with the filing of such testimony, exhibits, or pleadings where the information is available in electronic format (.PDF, .DOC, .WPD, .XLS, etc.). Parties are not required to put information that does not exist in electronic format into electronic format for purposes of exchanging.

(f) Public documents filed in EFIS shall be considered properly served by serving the same on counsel of record for all other parties via e-mail. The parties agree confidential documents may be obtained from EFIS and so agree not to serve those documents via email.

(g) Any data requests issued to or by Staff shall be submitted and responded to in the Commission's Electronic Filing and Information System (EFIS) pursuant to 20 CSR 4240-2.090(2)(H). All data requests other than those issued to or by Staff, as well as all objections to data requests, or notifications of the need for additional time to respond, shall be sent by e-mail to counsel for the other parties. Regarding data requests issued via EFIS, if they contain confidential or voluminous information, or are voluminous, a hyperlink to the EFIS record of that data request shall be considered a sufficient copy. If a party desires the response to a data request that has been served on another party, the party desiring a copy of the response must request a copy of the response from the party answering the data request, thereby providing the responding party the opportunity to object. Counsel may designate other personnel to be added to the service list for data requests, but shall assume responsibility for compliance with any restrictions on confidentiality. If any party responds to a data request in EFIS, the response is available in EFIS to all counsel on the certified service list. Data request responses, other than responses to data requests in EFIS, shall be served on counsel for the requesting party, unless waived by counsel, and on the requesting party's employee or representative who submitted the data request, and shall be served electronically, if feasible and not voluminous as defined by Commission rule. In the case of Ameren Missouri data request responses, Ameren Missouri shall post its data request responses on its Caseworks Extranet site; however, in the case of responses to data requests Staff issues, Ameren Missouri shall also submit the responses to Staff data requests in EFIS, if feasible, or in electronic format on compact disc or by other means agreed to by Staff counsel, if infeasible.

(h) The parties shall make an effort to not include confidential information in data requests. If confidential information must be included in a data request, the confidential information shall be appropriately designated as such pursuant to Commission Rule 20 CSR 4240-2.135.

(i) Until revenue requirement direct testimony is filed on December 4, 2026, the response time for all data requests shall be twenty (20) calendar days, with ten (10) calendar days to object or notify the requesting party that more than twenty (20) calendar days will be needed to provide the requested information. After December 4, 2026, until rebuttal testimony is filed on January 15, 2027, the response time for data requests shall be twelve (12) calendar days to provide the requested information and eight (8) calendar days to object or notify the requesting party that more than twelve (12) calendar days will be needed to provide the requested information. After rebuttal testimony is filed on January 15, 2027, the response time for data requests shall be five (5) business days to provide the requested information and three (3) business days to object or notify the requesting party that more than five (5) business days will be needed to provide the requested information. If a data request has been responded to, a party's request for a copy of the response shall be timely responded to, considering that the underlying data request has already been responded to (except that, with the exception of responses to Staff, responses will not be needed for Ameren Missouri's data request responses posted on Ameren Missouri's Caseworks Extranet site). Data requests sent or submitted after 5:00 pm on Monday-Friday, or on a weekend or state holiday, will be considered served on the next business day.

(j) Workpapers prepared in the course of developing a witness' testimony (including schedules) and exhibits shall not be filed with the Commission, but shall be submitted to each party within two (2) business days following the filing of the particular testimony, unless a party has indicated that it does not want to receive some or all of the workpapers. Workpapers containing confidential information shall be appropriately marked. If there are no workpapers associated with testimony, the party's attorney shall so notify the other parties within the time allowed for providing those workpapers.

(k) Where workpapers or data request responses include models or spreadsheets or similar information originally in a commonly available format where inputs or parameters may be changed to observe changes in inputs or outputs, if available in that original format, the party providing the workpaper or response shall provide this type of information in that original format with formulas intact. With the exception of workpapers provided to Staff, Ameren Missouri may provide workpapers by posting the same on its Caseworks Extranet site, with e-mail notification to counsel for the parties to be provided essentially concurrently with the posting of workpapers on the Extranet site. Ameren Missouri shall provide its workpapers to Staff in electronic format by e-mailing or by delivery of a compact disc or other electronic storage.

(l) Discovery conferences will be held either virtually via phone and/or computer or at the Commission's office at the Governor Office Building, 200 Madison Street, Jefferson City, Missouri, in a room to be designated by the Commission. Each discovery conference will begin at 10:00 a.m.

(m) Not less than three business days before each discovery conference, any party that has a discovery disagreement or concern involving another party shall file a brief statement describing that disagreement or concern and identifying any other parties involved. Such statement does not need to be a formal motion to compel. Any party may attend a discovery conference, but only those parties involved in an identified discovery disagreement must attend. If the parties do not identify any discovery disagreements or concerns as described herein, the presiding officer may cancel the conference.

(n) Discovery conferences shall be on the record and shall be transcribed by a court reporter.

(o) Any pending written discovery motion may be taken up at a discovery conference and may be ruled upon by the presiding regulatory law judge either on the record, or in a written order.

(p) Commission Rule 20 CSR 4240-2.090's requirement that a party must seek a telephone conference with the presiding officer before filing a discovery motion is waived.

4. Transcripts for the evidentiary hearing shall be expedited pursuant to footnote 3 of the Jointly Proposed Procedural Schedule and Procedures.

5. This order is effective when issued.
