STAFF RECOMMENDATION

COMES NOW the Staff of the Missouri Public Service Commission (“Staff”), through the undersigned counsel, and hereby respectfully submits this *Staff Recommendation*.

1. On March 13, 2020, the above-referenced West Safety Communications, Inc. (“Company”) filed notice that it had changed its name to Intrado Safety Communications, Inc. This results in all services being provided in Missouri to be provided under the name Intrado Safety Communications, Inc., going forward.

2. The Company was previously granted by the Commission a certificate to provide interexchange and non-switched local exchange services in Case No. TA-2002-0154 and to provide basic local telecommunications services in Case No. CA-2011-0360.

3. The Company also filed a new tariff bearing an effective date of April 12, 2020. The Company filed all requisite documentation and asks that the tariff be permitted to take effect.

4. Rule 20 CSR 4240-28.011(2) provides that any company with a certificate or registration that changes its name shall provide advance notice to the Commission of the name change and lays out the methods and requirements for such notice. In lieu of a Memorandum, Staff herein states that the Company has complied with the rule.

No entities intervened to oppose the name change. The Company is not delinquent in any required filings with the Commission.

WHEREFORE, Staff recommends that the Commission recognize the name change; permit the new tariff to take effect; and grant such other and further relief as is just in the circumstances.

Respectfully submitted,

/s/ Whitney Payne
