THIRD NOTICE REGARDING METRICS

COMES NOW The Empire District Electric Company d/b/a Liberty (“Liberty” or the “Company”) and submits this Third Notice Regarding Metrics pertaining to the “Customer First Performance Metrics” stemming from Case No. ER-2024-0261. In this regard, Liberty respectfully states as follows to the Missouri Public Service Commission (the “Commission”):

1. Ordered paragraph four of the *Report and Order* issued by the Commission on January 14, 2026, in Case No. ER-2024-0261, approves the terms of the Global Stipulation filed on October 6, 2025, and directs the signatories to comply with its terms (except as modified by the Supplemental Stipulation). Among other things, Paragraphs six and seven of the Global Stipulation provide that the parties confer on the appropriate and reasonably achievable monthly normalized performance metrics and targets in [File No. OO-2025-0233] and reach agreement by May 31, 2026.

2. On May 30, 2026, Liberty filed its Notice Regarding Metrics and, therein, it was stated that Liberty and Staff had reached agreement on a substantial portion of the Customer First Performance Metrics (see Exhibit A to the Notice, which contained the 14 agreed to metrics). It was intended that additional and/or revised metrics would be agreed to and filed herein by Liberty prior to June 30, 2026, as well as how the metrics will be applied. It was further stated that Liberty, with Staff’s assent, intended to begin measuring compliance as of June 1, 2026, using the metrics shown on Exhibit A, and that the additional/revised metrics and the application method would be

measured for compliance for the month of June, unless otherwise agreed among the parties, and moving forward.

3. On June 30, 2026, Liberty filed its Second Notice Regarding Metrics and reported that the parties were continuing discussions as to the Customer First Performance Metrics and had exchanged revised language.

4. The purpose of this Notice is to report that agreement has not yet been reached regarding the remaining Customer First Performance Metrics, which the parties continue to discuss.

WHEREFORE, Liberty respectfully submits this Third Notice Regarding Metrics. No action on the part of the Commission is requested at this time.

Respectfully submitted,
