TARIFF FORMAT

- A. Page Numbering -** Page numbers appear in the upper right corner of the sheet. Pages are numbered sequentially. However, new pages are occasionally added to the tariff. When a new page is added between existing pages with whole numbers, a decimal is added. For example, a new page added between pages 34 and 35 would be page 34.1.
- B. Page Revisions -** Revision numbers also appear in the upper right corner of the page. These numbers are used to determine the most current page version on file with the Commission. For example, 4th Revised Page 34 cancels the 3rd Revised Page 34. Consult the check sheet for the page currently in effect.
- C. Paragraph Numbering Sequence -** There are nine levels of paragraph coding. Each level of coding is subservient to its next higher level of coding.

SECTION 2 - REGULATIONS

2.1 Undertaking of the Company

The Company provides long distance message telecommunications service to customers for their direct transmission of voice, data and other types of telecommunications.

Communications originate when the customer accesses the Company directly or through the facilities of another carrier via one or more access lines, equal access or on a dial-up basis. The Company may act as the customer's agent for ordering access connection facilities provided by other carriers or entities when authorized by the customer, to allow connection of a customer's location to the Company's network. The customer shall be responsible for all charges due for such service arrangements.

The Company's services are provided on a monthly basis, unless otherwise stated in this tariff. Services are available twenty-four (24) hours per day, seven (7) days per week.

2.2 Limitations on Service

2.2.1 Service is offered subject to the availability of the necessary facilities and/or equipment and subject to the provisions of this tariff.

2.2.2 The Company reserves the right to discontinue furnishing service upon written notice, when necessitated by conditions beyond its control or when the customer is using the service in violation of the provisions of this tariff or in violation of the law.

2.2.3 To the extent that any conflict arises between the terms and conditions of a service agreement or other contract and the terms and conditions of this tariff, the tariff shall prevail.

2.2.4 Title to all equipment provided by the Company under this tariff remains with the Company.

SECTION 2 - REGULATIONS, (Cont'd.)

2.2 Limitations on Service, (Cont'd.)

2.2.5 The customer may not transfer or assign the use of service provided under this tariff except with the prior written consent of the Company. Such transfer or assignment shall only apply where there is no interruption in the use or location of the service, and all regulations and conditions contained in this tariff, as well as all conditions for service, shall apply to all such permitted assignees or transferees.

2.2.6 Customer may request Carrier to assign one or more sub-accounts for billing purposes, and to direct sub-account invoices to customer's affiliates or other designated entities for payment. Such requests shall not affect the liability of the customer, who shall remain solely liable to the Company for payment of all invoices for service requested and obtained by customer, whether invoiced by the Company to the customer, the customer's affiliates, or other designated entities.

2.3 Use of Service

Service may not be used for any unlawful purposes or for any purpose for which any payment or other compensation is received by the customer, except where the customer is a duly authorized and regulated common carrier.

2.4 Limitation of Liability

2.4.1 In view of the fact that the customer has exclusive control of its communications over the facilities furnished by the Company, and other uses for which facilities may be furnished by the Company, and because of the unavailability of errors incident to the services and to the use of such facilities of the Company, the services and facilities furnished by the Company are subject to the regulations and limitations specified herein.

SECTION 2 - REGULATIONS, (Cont'd.)

2.4 Limitation of Liability, (Cont'd.)

- 2.4.2** The Company's failure to provide or maintain facilities under this tariff shall be excused by labor difficulties, governmental orders, civil commotions, acts of God and other circumstances beyond the Company's reasonable control, subject to the interruption allowance provisions under this tariff.
- 2.4.3** Defacement of premises - No liability shall attach to the Company by reason of any defacement or damage to the customer's premises resulting from the existence of the Company's equipment or facilities on such premises, or by the installation or removal thereof, when such defacement or damage is not the result of the negligence of the Company or its employees.
- 2.4.4** Indemnification - The Company's liability, if any, for its gross negligence or willful misconduct is not limited by this tariff. With respect to any other claim or suit by a customer or by any others, the customer indemnifies and saves harmless the Company against claims, losses or suits for injury to or death of any person, or damage to any property which arises from the use, placement or presence of the Company's equipment, facilities and associated wiring of the customer's premises and further the customer indemnifies and saves harmless the Company against claims for libel, slander, invasion of privacy or the infringement of copyright arising directly or indirectly from the material transmitted over the facilities of the Company or the use thereof by the customer; against claims for infringement of patents arising from combining with or using in connection with, facilities furnished by the Company and apparatus, equipment and systems provided by the customer; and against all other claims arising out of any act or omission of the customer in connection with the services or facilities provided by the Company. No agents or employees of other carriers shall be deemed to be agents or employees of the Company.

SECTION 2 - REGULATIONS, (Cont'd.)**2.4 Limitation of Liability, (Cont'd.)**

2.4.5 The Company's liability, if any, for its gross negligence or willful misconduct is not limited by this tariff. With respect to any other claim or suit, by a customer or any others, for damages arising out of mistakes, omissions, interruptions, delays or errors, or defects in transmission occurring in the course of furnishing service hereunder, the Company's liability, if any, shall not exceed an amount equivalent to the proportionate charge to the customer for the period of service during which such mistake, omission, interruption, delay, error, or defect in transmission or service occurs and continues. This liability shall be in addition to any amounts that may otherwise be due to the customer under this tariff as an allowance for interruptions. However, any such mistakes, omission, interruptions, delays, errors, or defects in transmission or service which are caused or contributed to by the negligence or willful act of the customer, or authorized user, or joint user, or which arise from the use of customer provided facilities or equipment shall not result in the imposition of any liability whatsoever upon the Company.

2.4.6 The Company shall not be liable for any damages, including usage charges, that the customer may incur as a result of the unauthorized use of authorization codes or communications equipment. The unauthorized use of communications equipment includes, but is not limited to, the placement of calls from the customer's premises, and the placement of calls through equipment controlled and/or provided by the customer, that are transmitted over the Company's network without the authorization of the customer. The customer shall be fully liable for all such usage charges.

SECTION 2 - REGULATIONS, (Cont'd.)**2.5 Interruption of Service**

2.5.1 If a customer's service is interrupted other than by the negligence or willful act of the customer, and it remains out of order for two normal working hours or longer after access to the premises is made available and after being reported to be out of order, appropriate adjustments or refunds shall be made to the customer. The amount of adjustment or refund shall be determined on the basis of the known period of interruption, generally beginning from the time the service interruption is first reported. The refund to the customer shall be a pro rata part of the monthly recurring charges (but not for per minute or per call charges) for the period of hours and that portion of the service facilities rendered useless or inoperative. The refund may be accomplished by a credit on a subsequent bill for the service.

2.5.2 A credit allowance for interruptions of service which are not due to the Company's testing or adjusting, to the negligence of the customer, or to the failure of the channels, equipment, and/or communications systems provided by the customer, are subject to the general liability provisions set forth herein. It shall be the obligation of the customer to notify the carrier of any interruption in service. Before giving such notice, the customer shall ascertain that the trouble is not being caused by any action or omission by or within the customer's control and is not in wiring or equipment connected to the carrier terminal.

2.6 Restoration of Service

The use and restoration of service in emergencies shall be in accordance with the Part 64, Sub-part D of the Federal Communications Commission's rules and Regulations which specifies the priority system for such activities.

EFFECTIVE: June 4, 1999

SECTION 2 - REGULATIONS, (Cont'd.)**2.7 Customer Responsibility**

2.7.1 All customers assume general responsibilities in connection with the provisions and use of the Company's service. When facilities, equipment, and/or communication systems provided by others are connected to the Company's facilities, the customer assumes additional responsibilities. All customers are responsible for the following:

- A.** The customer is responsible for placing orders for service, paying all charges for service rendered by the Company and complying with all of the Company's regulations governing the service. The customer is also responsible for assuring that its users comply with regulations.
- B.** When placing an order for service, the customer must provide:
 - 1.** The names and addresses of the persons responsible for the payment of service charges, and
 - 2.** The names, telephone numbers, and addresses of the customer contact persons.
- C.** The customer must pay the Company for the replacement or repair of the Company's equipment when the damage results from:
 - 1.** The negligence or willful act of the customer or user;
 - 2.** Improper use of service; and
 - 3.** Any use of equipment or service provided by others.
- D.** After receipt of payment for the damages, the Company will cooperate with the customer in prosecuting a claim against any third party causing damage.

SECTION 2 - REGULATIONS, (Cont'd.)**2.7 Customer Responsibility, (Cont'd.)**

2.7.2 Upon reasonable notice, the equipment provided by the Company shall be made available for such tests and adjustments as may be necessary to maintain them in satisfactory condition. No interruption allowance will be granted for the time during which such tests and adjustments are made.

2.7.3 Deposits

Applicants or customers whose financial condition is not acceptable to the Company or is not a matter of general knowledge, may be required to make, at any time, a cash deposit up to an amount equaling two months actual or estimated charges for the purpose of guaranteeing final payment for service, in accordance with the rules of the Commission.

An interest of nine percent (9%) shall be credited annually upon the account of Customers with deposits. Upon satisfactory payment of all undisputed charges for a twelve month period, the customer's deposit with accrued interest will be refunded or credited against charges stated on subsequent bills.

2.7.4 Credit Allowance

Credit for failure of service or equipment will be allowed only when failure is caused by or occurs in equipment owned, provided and billed for, by the Company.

- A.** Credit allowances for failure of service or equipment starts when the customer notifies the Company of the failure or when the Company becomes aware of the failure and ceases when the operation has been restored and an attempt has been made to notify the customer.
- B.** The customer shall notify the Company of failures of service or equipment and make reasonable attempts to ascertain that the failure is not caused by the customer or in wiring or equipment connected to the terminal.

SECTION 2 - REGULATIONS, (Cont'd.)

2.7 Customer Responsibility, (Cont'd.)

2.7.4 Credit Allowance, (Cont'd.)

- C. Only those portions of the service or equipment operation disabled will be credited. No credit allowances will be made for:
1. Interruptions of service resulting from the Company performing routine maintenance;
 2. Interruptions of service for implementation of a customer order for a change in the service;
 3. Interruption caused by the negligence of the customer or an authorized user;
 4. Interruptions of service because of the failure of service or equipment due to the customer or authorized user provided facilities.

2.7.5 Cancellation by Customer

If a customer orders services requiring special equipment and/or facilities dedicated to the customer's use and then cancels its order before the service begins, before a completion of the minimum period mutually agreed upon by the customer and the Company, a charge will be made to the customer for the non-recoverable portions of expenditures or liabilities incurred expressly on behalf of the customer by the Company and not fully reimbursed by installation and monthly charges. If, based on such an order, any construction has either begun or been completed, but no such services provided, the non-recoverable cost of such construction shall be borne by the customer.

SECTION 2 - REGULATIONS, (Cont'd.)**2.7 Customer Responsibility, (Cont'd.)****2.7.6 Payment and Charges for Services**

Charges for service are applied on a recurring and nonrecurring basis. Service is provided and billed on a monthly basis. Service continues to be provided until disconnection is requested by the customer in writing, or until canceled by the Company pursuant to this tariff.

A. Payment of Charges

Payment will be due upon receipt of the statement. Residential Customers shall have at least twenty-one (21) days from the rendition of the bill to pay the charges stated thereon. A late payment charge of 1.5% applies to all non-residential overdue balances.

1. The customer is responsible for payment of all charges for service furnished to the customer. Charges based on actual usage during a month will be billed monthly in arrears. All fixed monthly and nonrecurring charges for services ordered will be billed monthly in advance.
2. Demand for payment of toll charges may be made on less than twenty-one (21) days notice in the event a Customer's service has been discontinued in accordance with this tariff within the last twelve (12) months or where the Customer incurs toll or other charges at any time during the billing period which are equal to at least 400% of the amount of the deposit or guarantee previously required. Such demand may be made by a telephone call to the Customer followed by written notification by first class mail.
3. Toll bills remaining unpaid ten (10) days after demand, shall be considered delinquent.
4. Toll charges are due monthly and payable any time during the twenty-one days following the presentation of the bill.

SECTION 2 - REGULATIONS, (Cont'd.)

2.7 Customer Responsibility, (Cont'd.)

2.7.6 Payment and Charges for Services, (cont'd.)

A. Payment of Charges, (cont'd.)

5. Service may be denied or discontinued by the Company for non-payment of past due or delinquent amounts due the Company. Restoration of service will be subject to all applicable installation charges. Disconnection may not occur before thirty (30) days from invoice and the Company will give five (5) days written notice before any disconnection can occur.

2.7.7 Application of Rates

The rates for service are those in effect for the period that service is furnished.

2.8 Responsibility of the Company

2.8.1 Calculation of Credit Allowance Under the limitations of section 2.7.4, when service is interrupted the credit allowance will be computed on the following basis.

- A. No credit shall be allowed for an interruption of less than two hours.
- B. The customer shall be credited for an interruption of two hours or major fraction thereof that the interruption continues.
- C. Where there has been an outage, and a minimum usage charge applies, and the customer fails to meet the minimum usage, a credit shall be applied against that minimum. The credit shall equal 1/360th of the monthly minimum charges associated with the portion of service disabled for each period of two hours or major fraction thereof that the interruption continues.

SECTION 2 - REGULATIONS, (Cont'd.)**2.8 Responsibility of the Company, (Cont'd.)****2.8.2 Cancellation of Credit**

Where the Company cancels a service or the provision of equipment and the final service period is less than the monthly billing period, a credit will be issued for any amounts billed in advance, prorated at 1/30th of the monthly recurring charge for each day the service was rendered or the equipment was provided. This credit will be issued to the customer or applied against the balance remaining on the customer's account.

2.8.3 Disconnection of Service by the Company

Upon five (5) days written notice, the Company may discontinue service or cancel an application for service without incurring any liability for any of the following reasons:

- A. Non-payment of any sum due to the Company for service for more than thirty days beyond the date of rendition of the bill for such service;
- B. Violation of any regulation governing the service under this tariff;
- C. Violation of any law, rule, or regulation of an government authority having jurisdiction over the service; or
- D. The Company is prohibited from furnishing services by order of a court or other government authority having jurisdiction.
- E. Customer uses equipment in such a manner as to adversely affect the Company's equipment or service to others.

2.8.4 Fractional Charges

Charges for a fractional part of a month (which follows a full month) are calculated by counting the number of days remaining in the billing period after service is furnished or has been discontinued. The number of days remaining in the billing period are counted starting with the day after the service was furnished or discontinued. Divide that figure by thirty days. The resultant fraction is then multiplied by the monthly charge to arrive at the fractional monthly charge.

SECTION 2 - REGULATIONS, (Cont'd.)**2.8 Responsibility of the Company, (Cont'd.)****2.8.5 Insufficient Fund Checks**

Customers will be charged \$15.00 on all checks issued to the Company which are returned due to insufficient funds. At the discretion of the Company, the insufficient funds check charge may be waived under appropriate circumstances (e.g. a bank error).

2.9 Taxes and Fees

- 2.9.1** All state and local taxes (e.g., gross receipts tax, sales tax, municipal utilities tax) are not included in the rates under this tariff, but shall be listed as separate line items on the customer's bill.
- 2.9.2** To the extent that a municipality, other political subdivision or local agency of government, or commission imposes and collects from the Company a gross receipts tax, occupation tax, license tax, permit fee, franchise fee, or regulatory fee, such taxes and fees shall, as allowed by law, be billed pro rata to the customer receiving service from the Company within the territorial limits of such municipality, other political subdivision or local agency of government.
- 2.9.3** Service shall not be subject to taxes for a given taxing jurisdiction if the customer provides the Company with written verification, acceptable to the Company and to the relevant taxing jurisdiction, that the customer has been granted a tax exemption.
- 2.9.4** The Company may adjust its rates or impose additional rates on its customer to recover amounts it is required by governmental or quasi-governmental authorities to collect from or pay to others. The Company may also adjust its rates or impose additional rates to cover the administrative cost of collecting such charges or paying compensation to other entities. Examples of such programs include, but are not limited to, the Universal Service Fund (USF), the Presubscribed Interexchange Carrier Charge (PICC), and compensation to pay telephone service providers for the use of their pay telephones to access the Company's services. Except for taxes and interstate fees, all other fees will be filed in this tariff for prior approval by the Commission.

SECTION 3 - DESCRIPTION OF SERVICES

3.1 Timing of Calls

3.1.1 The customer's monthly usage charges for the Company service are based upon the total number of minutes the customer uses and the service options to which the customer subscribes. Chargeable time begins when the connection is established between the calling station and the called station or PBX. Chargeable time ends when the either party hangs up. If the called station hangs up but the calling station does not, chargeable time ends when the connection is released by automatic timing equipment within the telecommunications network.

3.1.2 No charges apply if a call is not completed.

SECTION 3 - DESCRIPTION OF SERVICES, (Cont'd.)**3.2 Start of Billing**

For billing purposes, the start of service is the day following acceptance by the customer of the Company's service or equipment. The end of service date is the last day of the minimum notification of cancellation or any portion of the last day, after receipt by the Company of notification of cancellation as described in Section 2 of this tariff.

3.3 Interconnection

Service furnished by the Company may be interconnected with services or facilities of other authorized communications common carriers and with private systems, subject to the technical limitations established by the Company. Service technical limitations established by the Company. Service furnished by the Company is not part of a joint undertaking with such other carriers. Any special interface equipment of the Company and other participating carriers shall be provided at the customer's expense.

Interconnection with the facilities or services of other carriers shall be under the applicable terms and conditions of other carriers' tariffs. The customer is responsible for taking all necessary legal steps for inter connecting its customer-provided terminal equipment or communications systems with the Company's. The customer shall secure all licenses, permits, right-of-ways, and other arrangements necessary for such interconnection.

3.4 Terminal Equipment

The Company's service may be used with or terminated in customer provided terminal equipment or customer provided communication systems, such as teleprinter, handsets, or data sets. Such terminal equipment shall be furnished and maintained at the expense of the customer, except as otherwise provided. The customer is responsible for all costs at its premises, including customer personnel, wiring, electrical power, and the like incurred in its use of the Company's service.

The customer shall ensure that its terminal facilities are of the proper mode, band-width, power, data, speed, and signal level for the intended use of the customer, and that the signals do not damage the Company's equipment, injure personnel or degrade service to other customers.

SECTION 3 - DESCRIPTION OF SERVICES, (Cont'd.)**3.4 Terminal Equipment, (Cont'd.)**

If the customer fails to maintain and operate its terminal equipment properly, resulting in the occurrence or possibility of harm to the Company's equipment or personnel, or impairment to the quality of service to other customers, the Company may, upon written notice, require the use of protective equipment at the customer's expense. If this fails to produce satisfactory quality and safety of service, the Company may, upon written notice, terminate the customer's service.

3.5 Calculation of Distance

Usage charges for all mileage sensitive products are based on the airline distance between rate centers associated with the originating and terminating points of the call.

The airline mileage between rate centers is determined by applying the formula below to the vertical and horizontal coordinates associated with the rate centers involved. The Company uses the rate centers and associated vertical and horizontal coordinates that are currently being used within the industry.

Formula:

3.6 Minimum Call Completion Rate

The customer can expect a call completion rate of 99% per 100 calls attempted during peak use periods for all Feature Group D (1+) services. The Company will engineer its switching systems on the basis that ninety-nine percent (99%) of the customers accessing their system will be served during the busy hour.

3.7 Special Service Arrangements

Special Service Arrangement charges will be based on the estimated cost of furnishing such services including the cost of operating and maintaining such a service, the cost of equipment and materials used in providing such a service, the cost of installation including engineering, labor supervision, transportation, and the cost of any other specific item associated with the particular Special Service Arrangement request.

TARIFF FORMAT

- A. Page Numbering -** Page numbers appear in the upper right corner of the sheet. Pages are numbered sequentially. However, new pages are occasionally added to the tariff. When a new page is added between existing pages with whole numbers, a decimal is added. For example, a new page added between pages 34 and 35 would be page 34.1.
- B. Page Revisions -** Revision numbers also appear in the upper right corner of the page. These numbers are used to determine the most current page version on file with the Commission. For example, 4th Revised Page 34 cancels the 3rd Revised Page 34. Consult the check sheet for the page currently in effect.
- C. Paragraph Numbering Sequence -** There are nine levels of paragraph coding. Each level of coding is subservient to its next higher level of coding.

SECTION 2 - REGULATIONS

2.1 Undertaking of the Company

The Company provides long distance message telecommunications service to customers for their direct transmission of voice, data and other types of telecommunications.

Communications originate when the customer accesses the Company directly or through the facilities of another carrier via one or more access lines, equal access or on a dial-up basis. The Company may act as the customer's agent for ordering access connection facilities provided by other carriers or entities when authorized by the customer, to allow connection of a customer's location to the Company's network. The customer shall be responsible for all charges due for such service arrangements.

The Company's services are provided on a monthly basis, unless otherwise stated in this tariff. Services are available twenty-four (24) hours per day, seven (7) days per week.

2.2 Limitations on Service

2.2.1 Service is offered subject to the availability of the necessary facilities and/or equipment and subject to the provisions of this tariff.

2.2.2 The Company reserves the right to discontinue furnishing service upon written notice, when necessitated by conditions beyond its control or when the customer is using the service in violation of the provisions of this tariff or in violation of the law.

2.2.3 To the extent that any conflict arises between the terms and conditions of a service agreement or other contract and the terms and conditions of this tariff, the tariff shall prevail.

2.2.4 Title to all equipment provided by the Company under this tariff remains with the Company.

SECTION 2 - REGULATIONS, (Cont'd.)

2.2 Limitations on Service, (Cont'd.)

2.2.5 The customer may not transfer or assign the use of service provided under this tariff except with the prior written consent of the Company. Such transfer or assignment shall only apply where there is no interruption in the use or location of the service, and all regulations and conditions contained in this tariff, as well as all conditions for service, shall apply to all such permitted assignees or transferees.

2.2.6 Customer may request Carrier to assign one or more sub-accounts for billing purposes, and to direct sub-account invoices to customer's affiliates or other designated entities for payment. Such requests shall not affect the liability of the customer, who shall remain solely liable to the Company for payment of all invoices for service requested and obtained by customer, whether invoiced by the Company to the customer, the customer's affiliates, or other designated entities.

2.3 Use of Service

Service may not be used for any unlawful purposes or for any purpose for which any payment or other compensation is received by the customer, except where the customer is a duly authorized and regulated common carrier.

2.4 Limitation of Liability

2.4.1 In view of the fact that the customer has exclusive control of its communications over the facilities furnished by the Company, and other uses for which facilities may be furnished by the Company, and because of the unavoidableness of errors incident to the services and to the use of such facilities of the Company, the services and facilities furnished by the Company are subject to the regulations and limitations specified herein.

SECTION 2 - REGULATIONS, (Cont'd.)

2.4 Limitation of Liability, (Cont'd.)

2.4.2 The Company's failure to provide or maintain facilities under this tariff shall be excused by labor difficulties, governmental orders, civil commotions, acts of God and other circumstances beyond the Company's reasonable control, subject to the interruption allowance provisions under this tariff.

2.4.3 Defacement of premises - No liability shall attach to the Company by reason of any defacement or damage to the customer's premises resulting from the existence of the Company's equipment or facilities on such premises, or by the installation or removal thereof, when such defacement or damage is not the result of the negligence of the Company or its employees.

2.4.4 Indemnification - The Company's liability, if any, for its gross negligence or willful misconduct is not limited by this tariff. With respect to any other claim or suit by a customer or by any others, the customer indemnifies and saves harmless the Company against claims, losses or suits for injury to or death of any person, or damage to any property which arises from the use, placement or presence of the Company's equipment, facilities and associated wiring of the customer's premises and further the customer indemnifies and saves harmless the Company against claims for libel, slander, invasion of privacy or the infringement of copyright arising directly or indirectly from the material transmitted over the facilities of the Company or the use thereof by the customer; against claims for infringement of patents arising from combining with or using in connection with, facilities furnished by the Company and apparatus, equipment and systems provided by the customer; and against all other claims arising out of any act or omission of the customer in connection with the services or facilities provided by the Company. No agents or employees of other carriers shall be deemed to be agents or employees of the Company.

SECTION 2 - REGULATIONS, (Cont'd.)**2.4 Limitation of Liability, (Cont'd.)**

2.4.5 The Company's liability, if any, for its gross negligence or willful misconduct is not limited by this tariff. With respect to any other claim or suit, by a customer or any others, for damages arising out of mistakes, omissions, interruptions, delays or errors, or defects in transmission occurring in the course of furnishing service hereunder, the Company's liability, if any, shall not exceed an amount equivalent to the proportionate charge to the customer for the period of service during which such mistake, omission, interruption, delay, error, or defect in transmission or service occurs and continues. This liability shall be in addition to any amounts that may otherwise be due to the customer under this tariff as an allowance for interruptions. However, any such mistakes, omission, interruptions, delays, errors, or defects in transmission or service which are caused or contributed to by the negligence or willful act of the customer, or authorized user, or joint user, or which arise from the use of customer provided facilities or equipment shall not result in the imposition of any liability whatsoever upon the Company.

2.4.6 The Company shall not be liable for any damages, including usage charges, that the customer may incur as a result of the unauthorized use of authorization codes or communications equipment. The unauthorized use of communications equipment includes, but is not limited to, the placement of calls from the customer's premises, and the placement of calls through equipment controlled and/or provided by the customer, that are transmitted over the Company's network without the authorization of the customer. The customer shall be fully liable for all such usage charges.

SECTION 2 - REGULATIONS, (Cont'd.)

2.5 Interruption of Service

2.5.1 If a customer's service is interrupted other than by the negligence or willful act of the customer, and it remains out of order for two normal working hours or longer after access to the premises is made available and after being reported to be out of order, appropriate adjustments or refunds shall be made to the customer. The amount of adjustment or refund shall be determined on the basis of the known period of interruption, generally beginning from the time the service interruption is first reported. The refund to the customer shall be a pro rata part of the monthly recurring charges (but not for per minute or per call charges) for the period of hours and that portion of the service facilities rendered useless or inoperative. The refund may be accomplished by a credit on a subsequent bill for the service.

2.5.2 A credit allowance for interruptions of service which are not due to the Company's testing or adjusting, to the negligence of the customer, or to the failure of the channels, equipment, and/or communications systems provided by the customer, are subject to the general liability provisions set forth herein. It shall be the obligation of the customer to notify the carrier of any interruption in service. Before giving such notice, the customer shall ascertain that the trouble is not being caused by any action or omission by or within the customer's control and is not in wiring or equipment connected to the carrier terminal.

2.6 Restoration of Service

The use and restoration of service in emergencies shall be in accordance with the Part 64, Sub-part D of the Federal Communications Commission's rules and Regulations which specifies the priority system for such activities.

2.7 Customer Responsibility

2.7.1 All customers assume general responsibilities in connection with the provisions and use of the Company's service. When facilities, equipment, and/or communication systems provided by others are connected to the Company's facilities, the customer assumes additional responsibilities. All customers are responsible for the following:

- A.** The customer is responsible for placing orders for service, paying all charges for service rendered by the Company and complying with all of the Company's regulations governing the service. The customer is also responsible for assuring that its users comply with regulations.
- B.** When placing an order for service, the customer must provide:
 - 1.** The names and addresses of the persons responsible for the payment of service charges, and
 - 2.** The names, telephone numbers, and addresses of the customer contact persons.
- C.** The customer must pay the Company for the replacement or repair of the Company's equipment when the damage results from:
 - 1.** The negligence or willful act of the customer or user;
 - 2.** Improper use of service; and
 - 3.** Any use of equipment or service provided by others.
- D.** After receipt of payment for the damages, the Company will cooperate with the customer in prosecuting a claim against any third party causing damage.

SECTION 2 - REGULATIONS, (Cont'd.)

2.7 Customer Responsibility, (Cont'd.)

2.7.2 Upon reasonable notice, the equipment provided by the Company shall be made available for such tests and adjustments as may be necessary to maintain them in satisfactory condition. No interruption allowance will be granted for the time during which such tests and adjustments are made.

2.7.3 Deposits

Applicants or customers whose financial condition is not acceptable to the Company or is not a matter of general knowledge, may be required to make, at any time, a cash deposit up to an amount equaling two months actual or estimated charges for the purpose of guaranteeing final payment for service, in accordance with the rules of the Commission.

An interest of nine percent (9%) shall be credited annually upon the account of Customers with deposits. Upon satisfactory payment of all undisputed charges for a twelve month period, the customer's deposit with accrued interest will be refunded or credited against charges stated on subsequent bills.

2.7.4 Credit Allowance

Credit for failure of service or equipment will be allowed only when failure is caused by or occurs in equipment owned, provided and billed for, by the Company.

- A.** Credit allowances for failure of service or equipment starts when the customer notifies the Company of the failure or when the Company becomes aware of the failure and ceases when the operation has been restored and an attempt has been made to notify the customer.
- B.** The customer shall notify the Company of failures of service or equipment and make reasonable attempts to ascertain that the failure is not caused by the customer or in wiring or equipment connected to the terminal.

2.7 Customer Responsibility, (Cont'd.)

2.7.4 Credit Allowance, (Cont'd.)

- C. Only those portions of the service or equipment operation disabled will be credited. No credit allowances will be made for:
1. Interruptions of service resulting from the Company performing routine maintenance;
 2. Interruptions of service for implementation of a customer order for a change in the service;
 3. Interruption caused by the negligence of the customer or an authorized user;
 4. Interruptions of service because of the failure of service or equipment due to the customer or authorized user provided facilities.

2.7.5 Cancellation by Customer

If a customer orders services requiring special equipment and/or facilities dedicated to the customer's use and then cancels its order before the service begins, before a completion of the minimum period mutually agreed upon by the customer and the Company, a charge will be made to the customer for the non-recoverable portions of expenditures or liabilities incurred expressly on behalf of the customer by the Company and not fully reimbursed by installation and monthly charges. If, based on such an order, any construction has either begun or been completed, but no such services provided, the non-recoverable cost of such construction shall be borne by the customer.

SECTION 2 - REGULATIONS, (Cont'd.)**2.7 Customer Responsibility, (Cont'd.)****2.7.6 Payment and Charges for Services**

Charges for service are applied on a recurring and nonrecurring basis. Service is provided and billed on a monthly basis. Service continues to be provided until disconnection is requested by the customer in writing, or until canceled by the Company pursuant to this tariff.

A. Payment of Charges

Payment will be due upon receipt of the statement. Residential Customers shall have at least twenty-one (21) days from the rendition of the bill to pay the charges stated thereon. A late payment charge of 1.5% applies to all non-residential overdue balances.

1. The customer is responsible for payment of all charges for service furnished to the customer. Charges based on actual usage during a month will be billed monthly in arrears. All fixed monthly and nonrecurring charges for services ordered will be billed monthly in advance.
2. Demand for payment of toll charges may be made on less than twenty-one (21) days notice in the event a Customer's service has been discontinued in accordance with this tariff within the last twelve (12) months or where the Customer incurs toll or other charges at any time during the billing period which are equal to at least 400% of the amount of the deposit or guarantee previously required. Such demand may be made by a telephone call to the Customer followed by written notification by first class mail.
3. Toll bills remaining unpaid ten (10) days after demand, shall be considered delinquent.
4. Toll charges are due monthly and payable any time during the twenty-one days following the presentation of the bill.

2.7 Customer Responsibility, (Cont'd.)

2.7.6 Payment and Charges for Services, (cont'd.)

A. Payment of Charges, (cont'd.)

5. Service may be denied or discontinued by the Company for non-payment of past due or delinquent amounts due the Company. Restoration of service will be subject to all applicable installation charges. Disconnection may not occur before thirty (30) days from invoice and the Company will give five (5) days written notice before any disconnection can occur.

2.7.7 Application of Rates

The rates for service are those in effect for the period that service is furnished.

2.8 Responsibility of the Company

2.8.1 Calculation of Credit Allowance Under the limitations of section 2.7.4, when service is interrupted the credit allowance will be computed on the following basis.

- A. No credit shall be allowed for an interruption of less than two hours.
- B. The customer shall be credited for an interruption of two hours or major fraction thereof that the interruption continues.
- C. Where there has been an outage, and a minimum usage charge applies, and the customer fails to meet the minimum usage, a credit shall be applied against that minimum. The credit shall equal 1/360th of the monthly minimum charges associated with the portion of service disabled for each period of two hours or major fraction thereof that the interruption continues.

SECTION 2 - REGULATIONS, (Cont'd.)**2.8 Responsibility of the Company, (Cont'd.)****2.8.2 Cancellation of Credit**

Where the Company cancels a service or the provision of equipment and the final service period is less than the monthly billing period, a credit will be issued for any amounts billed in advance, prorated at 1/30th of the monthly recurring charge for each day the service was rendered or the equipment was provided. This credit will be issued to the customer or applied against the balance remaining on the customer's account.

2.8.3 Disconnection of Service by the Company

Upon five (5) days written notice, the Company may discontinue service or cancel an application for service without incurring any liability for any of the following reasons:

- A. Non-payment of any sum due to the Company for service for more than thirty days beyond the date of rendition of the bill for such service;
- B. Violation of any regulation governing the service under this tariff;
- C. Violation of any law, rule, or regulation of an government authority having jurisdiction over the service; or
- D. The Company is prohibited from furnishing services by order of a court or other government authority having jurisdiction.
- E. Customer uses equipment in such a manner as to adversely affect the Company's equipment or service to others.

2.8.4 Fractional Charges

Charges for a fractional part of a month (which follows a full month) are calculated by counting the number of days remaining in the billing period after service is furnished or has been discontinued. The number of days remaining in the billing period are counted starting with the day after the service was furnished or discontinued. Divide that figure by thirty days. The resultant fraction is then multiplied by the monthly charge to arrive at the fractional monthly charge.

2.8.5 Insufficient Fund Checks

Customers will be charged \$15.00 on all checks issued to the Company which are returned due to insufficient funds. At the discretion of the Company, the insufficient funds check charge may be waived under appropriate circumstances (e.g. a bank error).

2.9 Taxes and Fees

- 2.9.1** All state and local taxes (e.g., gross receipts tax, sales tax, municipal utilities tax) are not included in the rates under this tariff, but shall be listed as separate line items on the customer's bill.
- 2.9.2** To the extent that a municipality, other political subdivision or local agency of government, or commission imposes and collects from the Company a gross receipts tax, occupation tax, license tax, permit fee, franchise fee, or regulatory fee, such taxes and fees shall, as allowed by law, be billed pro rata to the customer receiving service from the Company within the territorial limits of such municipality, other political subdivision or local agency of government.
- 2.9.3** Service shall not be subject to taxes for a given taxing jurisdiction if the customer provides the Company with written verification, acceptable to the Company and to the relevant taxing jurisdiction, that the customer has been granted a tax exemption.
- 2.9.4** The Company may adjust its rates or impose additional rates on its customer to recover amounts it is required by governmental or quasi-governmental authorities to collect from or pay to others. The Company may also adjust its rates or impose additional rates to cover the administrative cost of collecting such charges or paying compensation to other entities. Examples of such programs include, but are not limited to, the Universal Service Fund (USF), the Presubscribed Interexchange Carrier Charge (PICC), and compensation to pay telephone service providers for the use of their pay telephones to access the Company's services. Except for taxes and interstate fees, all other fees will be filed in this tariff for prior approval by the Commission.

SECTION 3 - DESCRIPTION OF SERVICES

3.1 Timing of Calls

3.1.1 The customer's monthly usage charges for the Company service are based upon the total number of minutes the customer uses and the service options to which the customer subscribes. Chargeable time begins when the connection is established between the calling station and the called station or PBX. Chargeable time ends when the either party hangs up. If the called station hangs up but the calling station does not, chargeable time ends when the connection is released by automatic timing equipment within the telecommunications network.

3.1.2 No charges apply if a call is not completed.

SECTION 3 - DESCRIPTION OF SERVICES, (Cont'd.)**3.2 Start of Billing**

For billing purposes, the start of service is the day following acceptance by the customer of the Company's service or equipment. The end of service date is the last day of the minimum notification of cancellation or any portion of the last day, after receipt by the Company of notification of cancellation as described in Section 2 of this tariff.

3.3 Interconnection

Service furnished by the Company may be interconnected with services or facilities of other authorized communications common carriers and with private systems, subject to the technical limitations established by the Company. Service technical limitations established by the Company. Service furnished by the Company is not part of a joint undertaking with such other carriers. Any special interface equipment of the Company and other participating carriers shall be provided at the customer's expense.

Interconnection with the facilities or services of other carriers shall be under the applicable terms and conditions of other carriers' tariffs. The customer is responsible for taking all necessary legal steps for inter connecting its customer-provided terminal equipment or communications systems with the Company's. The customer shall secure all licenses, permits, right-of-ways, and other arrangements necessary for such interconnection.

3.4 Terminal Equipment

The Company's service may be used with or terminated in customer provided terminal equipment or customer provided communication systems, such as teleprinter, handsets, or data sets. Such terminal equipment shall be furnished and maintained at the expense of the customer, except as otherwise provided. The customer is responsible for all costs at its premises, including customer personnel, wiring, electrical power, and the like incurred in its use of the Company's service.

The customer shall ensure that its terminal facilities are of the proper mode, band-width, power, data, speed, and signal level for the intended use of the customer, and that the signals do not damage the Company's equipment, injure personnel or degrade service to other customers.

SECTION 3 - DESCRIPTION OF SERVICES, (Cont'd.)**3.4 Terminal Equipment, (Cont'd.)**

If the customer fails to maintain and operate its terminal equipment properly, resulting in the occurrence or possibility of harm to the Company's equipment or personnel, or impairment to the quality of service to other customers, the Company may, upon written notice, require the use of protective equipment at the customer's expense. If this fails to produce satisfactory quality and safety of service, the Company may, upon written notice, terminate the customer's service.

3.5 Calculation of Distance

Usage charges for all mileage sensitive products are based on the airline distance between rate centers associated with the originating and terminating points of the call.

The airline mileage between rate centers is determined by applying the formula below to the vertical and horizontal coordinates associated with the rate centers involved. The Company uses the rate centers and associated vertical and horizontal coordinates that are currently being used within the industry.

Formula:

3.6 Minimum Call Completion Rate

The customer can expect a call completion rate of 99% per 100 calls attempted during peak use periods for all Feature Group D (1+) services. The Company will engineer its switching systems on the basis that ninety-nine percent (99%) of the customers accessing their system will be served during the busy hour.

3.7 Special Service Arrangements

Special Service Arrangement charges will be based on the estimated cost of furnishing such services including the cost of operating and maintaining such a service, the cost of equipment and materials used in providing such a service, the cost of installation including engineering, labor supervision, transportation, and the cost of any other specific item associated with the particular Special Service Arrangement request.

SECTION 4 - RATES AND CHARGES, (Cont'd.)**4.2 Residential and Small Business Direct Dial Service, (Cont'd.)****4.2.1 Residential and Small Business Direct Dial Service - Flat Rate Option, (cont'd.)****C. Flat Rate Option - Volume Discount**

For Customers who select this option, a volume discount is applied based on the guaranteed monthly interstate and intrastate usage as shown below.

For each month in which the Customer fails to achieve the minimum commitment, a Minimum Monthly Usage Charge as specified in the Company's federal tariffs or rate sheets will apply. Only one Minimum Monthly Usage Charge applies for both intrastate and interstate usage.

In the event that the service contracted for under this tariff is no longer desired by the Customer prior to the expiration of the contract, the customer will be required to pay a termination charge that is the amount equal to the difference between the amount billed and amount calculated by multiplying the rate for the Flat Rate Option - Base Rate shown in A. above times the accumulated usage from the effective date of the contract.

SECTION 4 - RATES AND CHARGES, (Cont'd.)**4.3 Medium Business Direct Dialed Service**

Medium Business Direct Dial Service is an outbound calling service designed for use from standard Customer-provided switched access lines. The following rates apply when the person originating the call dials the telephone number desired and completes the call, and the call is billed to the calling station. Service is billed in sixty (60) second increments with an initial minimum period of one (1) minute. Where applicable, only one Minimum Monthly Charge applies for both interstate and intrastate usage using the Company's service.

SECTION 4 - RATES AND CHARGES, (Cont'd.)**4.4 Toll Free (e.g., 800/888) Service**

Toll Free Service is available to business and residential Customers for incoming calls. Calls originate from any intrastate location over an 800/888 number and terminate to a Customer-provided residential or business switched access line. Call charges are billed to the Customer rather than to the originating caller. Calls are billed in full minute increments unless otherwise specified in this tariff. A monthly service charge applies per inbound line.

Toll Free Service rates apply when the person originating the call dials the 800 or 888 telephone number desired and completes the call, and the call is billed to the called station.
