File No. WA-2026-0054

SEPTEMBER STATUS REPORT

COMES NOW Confluence Rivers Utility Operating Company, Inc., (“Confluence Rivers” or “Company”) and for its *September Status Report* respectfully states as follows to the Missouri Public Service Commission (“Commission”):

1. On December 17, 2025 (effective January 16, 2026), the Commission issued its *Order Authorizing Water Systems Acquisition and Granting Certificate of Convenience and Necessity* (“Order”) in this case. The Order approves the acquisition of, and grants a Certificate of Convenience and Necessity for, the Rolling Hills and Charity water systems assets located in Pulaski County, Missouri.

2. The Order further requires Confluence Rivers to notify the Commission of closing on any of the assets in these cases or file a status report if closing has not yet occurred within thirty days of the effective date of the Order and additional status reports until closing takes place, or until Confluence Rivers determines that the transfer of the assets will not occur.

3. Confluence Rivers has not yet closed on the Rolling Hills and Charity water systems.

4. The Company understands the Missouri Attorney General’s Office (AGO) has had difficulty communicating with Mr. Blevins concerning pending legal matters that cloud the title to

the assets to be purchased, if not resolved. A bench trial was conducted on July 10, 2026, in one of the matters being handled by the AGO (Case No. 25PU-CV01103). The Pulaski County Circuit Court entered a judgment against the Blevins in the amount of approximately \$8,000, plus interest. No further filings have been made in that case since the judgment was entered.

5. Further, there are real estate title issues to be addressed, and Confluence Rivers has not received Mr. Blevins' cooperation in addressing those issues.

6. Confluence Rivers will continue to update the Commission as ordered.

WHEREFORE, Confluence Rivers respectfully submits this *September Status Report* to the Commission.

Respectfully submitted,

Dean L. Cooper, Mo. Bar #36592
