Re: Surrebuttal filing ER-2007-0002

Dear Ms. Dale:

Enclosed for filing pursuant to the Commission's January 8, 2007 Order are an original and ten copies of the following surrebuttal: NP and HC testimony of Michael Brosch, testimony of Dr. Randy Woolridge. Given that we are now required to file paper copies the State of Missouri will not be filing these testimonies with EFIS.

If you have any questions please do not hesitate to contact me at 573-751-7445.
Thank you for your attention to this matter.

Sincerely,

JEREMIAH W. (JAY) NIXON

Attorney General
