In the Matter of Spire Missouri Inc. d/b/a Spire's Purchased Gas Adjustment Tariff Filing	)))	**Case No. GR-2027-0118** Tracking No. JG-2027-0056

ORDER APPROVING PURCHASED GAS ADJUSTMENT TARIFF AND DIRECTING STAFF REVIEW AND RECOMMENDATION

Issue Date: November 3, 2026 Effective Date: November 6, 2026

On October 23, 2026, Spire Missouri Inc. d/b/a Spire filed tariff sheets to reflect changes in the company's Purchased Gas Adjustment (PGA), along with an accompanying cover letter with supporting worksheets. The tariff sheet was filed to reflect changes in the PGA factors as a result of estimated changes in the cost of natural gas and changes in the Actual Cost Adjustment (ACA) factors. The tariff sheets bear an effective date of November 6, 2026, and have been assigned Tracking No. JG-2027-0056.

Spire estimates its proposed tariff sheets will decrease its charges for gas from $0.61674 to $0.54255 per Ccf[1] in the Spire East service area and increase its charges for gas from $0.67976 to $0.75012 per Ccf in the Spire West service area. Spire cites higher costs associated with interstate pipelines as the reason for the increase. Compared to existing rates, Spire estimates that the average monthly bill of the typical residential customer would decrease by $4.66 (4.79%) for the Spire East service area and increase by $4.02 (3.93%) for the Spire West service area, although such bill impacts may be more or less, depending on a customer's actual usage, which is primarily affected by weather.

[1] Ccf is a volume measurement of natural gas and equals 100 cubic feet of natural gas.

The Staff of the Commission (Staff) filed its recommendation on October 30, 2026. No other party has filed a response to Spire's filing or Staff's recommendation. Staff recommended approving the tariff on an interim basis, subject to refund. The Staff Procurement Analysis Department stated it will review Spire's ACA filing and requests permission to submit its results and recommendations on or before December 15, 2027.

The Commission has reviewed the proposed tariff sheet and Staff's recommendation. Based on the verified filings, the Commission finds that the proposed tariff sheets conform to Spire's Commission-approved PGA clause. The Commission concludes the proposed tariff sheets should be approved to establish rates on an interim basis, subject to refund, for service on and after November 6, 2026. The Commission will direct Staff to review the information included in this ACA filing and submit its results and recommendations.

Spire's PGA clause allows for PGA change filings to take effect after ten business days' notice. As Spire has complied with the notice requirement, the Commission finds good cause under Section 393.140(11), RSMo (2016), to allow the revised tariff sheets to take effect on less than 30 days' notice. Likewise, the Commission finds it reasonable for this Order to become effective in less than 30 days.

THE COMMISSION ORDERS THAT:

1. The tariff sheets, assigned Tracking No. JG-2027-0056, are approved on an interim basis and subject to refund, pending final Commission decisions in this case and in Case No. GR-2026-0127. The tariff sheets approved are:

2. Staff shall review the information included in this ACA filing and submit its results and recommendations no later than December 15, 2027.

3. This order shall be effective on November 6, 2026.
