RE: Evergy Missouri West, Inc. d/b/a Evergy Missouri West Revised Tariff Sheets for Direct Filing, Docket No. ER-2027-0077, Tracking No. JE-2027-0059

Dear Secretary:

Enclosed are revised tariff sheets associated with Evergy Missouri West's General Rate Increase filing (tracking No. JE-2027-0059), originally submitted on November 3, 2026, in Docket No. ER-2027-0077. These revisions reflect the correct pricing for the energy charge in the Commercial and Industrial rate tariff sheets. An updated Letter of Transmittal (L.O.T.) is also included to reflect tariffs that were included in the November 3rd filing but inadvertently omitted from the LOT.

Thank you for your consideration of these tariff sheets. Please contact me directly at tia.alexander@evergy.com if you require further information.

Sincerely,
Tia Alexander
