File No. ER-2012-0166

ORDER APPROVING RECONCILIATION OF CONTESTED ISSUES

Issue Date: January 10, 2013

Effective Date: January 10, 2013

Section 386.420.4, RSMo (Supp. 2011) requires the Commission to prepare and approve a detailed reconciliation regarding the dollar value and rate or charge impact of the contested issues decided by the Commission in this rate case. The law requires the Commission to allow the parties an opportunity to provide written input regarding that reconciliation.

On December 31, 2012, Ameren Missouri filed a proposed reconciliation along with a motion asking the Commission to approve that reconciliation. The Commission directed its Staff to respond to Ameren Missouri's proposed reconciliation by January 9, 2013, and allowed other parties until that date to respond if they wished to do so. Staff filed its response on January 8, indicating it has no objection to the reconciliation proposed by Ameren Missouri. No other party has responded to the reconciliation.

The Commission finds that the reconciliation submitted by Ameren Missouri on December 31, 2012, is an accurate representation of the revenue requirement impact of the issues decided by the Commission in its report and order. The Commission further

finds that the submitted reconciliation satisfies the requirements of Section 386.420.4, RSMo (Supp. 2011).

THE COMMISSION ORDERS THAT:

1. The Reconciliation of Issues Decided by the Commission, filed on December 31, 2012, by Union Electric Company d/b/a Ameren Missouri, is approved.
2. This order shall become effective on January 10, 2013.

Law Judge, by delegation of authority
pursuant to Section 386.240, RSMo 2000.
