NOTICE MOVING FILING AND RECLOSING CASE NO. GF-2007-0215

Issue Date: September 28, 2007

On September 24, 2007, Southern Missouri Gas Company, L.P., d/b/a Southern Missouri Natural Gas, filed its First Amended Application in Case No. GF-2007-0215, a request for approval of financing. Case No. GF-2007-0215 had been previously consolidated with two cases in which Southern Missouri Gas had requested certificates of service with regard to the same service areas as the financing case. Case No. GA-2007-0212 was designated as the lead case and Case No. GF-2007-0215 was administratively closed.

A hearing was held regarding the applications for certificates and the certificates were granted contingent upon financing being approved by the Commission. Before a decision can be made on the financing, additional information is needed. However, for administrative purposes, Case No. GF-2007-0215 shall remain closed and all additional filings, including the First Amended Application, shall be placed in Case No. GA-2007-0212.

Thus, the Data Center of the Commission shall place the First Amended Application in Case No. GA-2007-0212, and Case No. GF-2007-0215 shall be closed.
