**ORDER APPROVING STIPULATION AND AGREEMENT REGARDING
CERTAIN REVENUE REQUIREMENT ISSUES**

Issue Date: October 10, 2012

Effective Date: October 20, 2012

On September 28, 2012, the Commission's Staff and Union Electric Company d/b/a Ameren Missouri filed a nonunanimous stipulation and agreement regarding several revenue requirement issues. The stipulation and agreement is nonunanimous in that it was not signed by all parties. However, Commission rule 4 CSR 240-2.115(2) provides that other parties have seven days in which to object to a nonunanimous stipulation and agreement. If no party files a timely objection to a stipulation and agreement, the Commission may treat it as a unanimous stipulation and agreement. More than seven days have passed since the stipulation and agreement was filed and no party has objected. Therefore, the Commission will treat the stipulation and agreement as a unanimous stipulation and agreement.

The stipulation and agreement resolves several issues that affect Ameren Missouri's revenue requirement. The issues resolved include the Sioux Construction Accounting issue, training awards, Entergy refunds, advertising, dues, donations, and miscellaneous

expenses. The stipulation and agreement also requires Ameren Missouri to further examine LED street lighting issues and requires the company to combine its two electric rate schedules into a single rate schedule by January 31, 2013.

After reviewing the stipulation and agreement, the Commission independently finds and concludes that the stipulation and agreement is a reasonable resolution of the issues addressed by the stipulation and agreement and that such stipulation and agreement should be approved.

THE COMMISSION ORDERS THAT:

1. The Stipulation and Agreement Regarding Certain Revenue Requirement Issues, filed on September 28, 2012, is approved as a resolution of the issues addressed in that stipulation and agreement. The signatory parties are ordered to comply with the terms of the stipulation and agreement. A copy of the stipulation and agreement is attached to this order.

2. This order shall become effective on October 20, 2012.
