File No. GC-2011-0232

**REQUESTING ADDITIONAL TIME FOR
PREHEARING CONFERENCE**

I, Janet Parks, am requesting an extension of the available dates for the prehearing conference. This is due to health and medical issues that have come about. I am faced with health problems that are requiring surgery that cannot be put off. That along with time that will be needed to recuperate from the surgery.

I am looking to be able to continue with these prehearings Mid June. Approximately 6-7 weeks from now. This is a situation that is out of my control. I am hoping that this will have no change to the filings and no parties' rights will be affected by new prehearing dates for the time that I have asked for.

Respectfully submitted,

Janet Parks
