**OF THE STATE OF MISSOURI**

In the Matter of the Southern Union Sale     )  
of Assets and Part of its System Located     )  
in Texas and used in Providing Service to     ) Case No. GC-2003-0348  
its Missouri Consumers To ONEOK.             )

**AFFIDAVIT**

1. In a separate but related case, I requested information regarding the specific assets that were providing joint services to Missouri and Texas. MGE's response to Staff's Data Request is Attachment A. Staff has been unable to identify the specific assets providing services to both the Missouri and Texas properties because the Company's response did not provide that information.

2. The Purchase and Sale Agreement between Southern Union Company and ONEOK, Inc. dated as of October 16, 2002 was provided in response to Data Request No. 5024, part a. in Case No. GM-2003-0238.

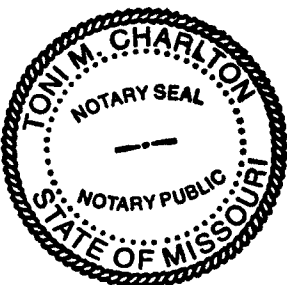

3. The Transition Plan discussed on page 29, Section 6.6 of the Purchase and Sale Agreement and in Exhibit 6.6 of the Purchase and Sale Agreement identifies the transition services needed by Southern Union from ONEOK after the closing. The transition services identified in Exhibit 6.6 were in the area of gas supply, IT, and accounting.

I certify that I have read the foregoing statement and the facts therein are complete, true and accurate to the best of my knowledge and belief.
