JULY STATUS REPORT

COMES NOW, the Staff of the Missouri Public Service Commission, and for its status report states that in late October the Staff provided the parties a new draft of proposed language for Empire's Cost Allocation Manual ("CAM") taking into account some of the content of Laclede Gas Company's Cost Allocation Manual that was recently approved by the Commission in Case No. GC-2011-0098. In December, the Company provided Staff its comments on Staff's proposed language. Staff and Empire have discussed proposed changes to Empire's CAM and these discussions are continuing. At this time, the parties are considering the possible impact of KCP&L Greater Missouri Operations Company's Application for Approval of its CAM (Case No. EO-2014-0189).

WHEREFORE, Staff submits its *July Status Report*.

Respectfully submitted,
