Ameren Transmission Company of Illinois's Response to Neighbors United Data Request

In the Matter of the Application of Ameren Transmission Company of Illinois for Other Relief or, in the Alternative, a Certificate of Public Convenience and Necessity Authorizing it to Construct, Install, Own, Operate, Maintain and Otherwise Control and Manage a 345,000-volt Electric Transmission Line from Palmyra, Missouri, to the Iowa Border and an Associated Substation Near Kirksville, Missouri.

Data Request

Data Request No.: NU-2-21 - Jennifer Hernandez

Please identify any communication between ATXI employees or its agents, and any County Commissioner in Schuyler, Adair, Knox, Shelby or Marion counties related to the proposed Mark Twain Project. For each such communication please provide:

- a. the names of the employee(s) or agents and the County Commissioner(s) involved,
- b. the date of the communication,
- c. the form of communication (i.e., personal, written, electronic, telephonic communication, etc.),
- d. the substance of the communication, and
- e. attach any written document(s) or material(s) provided to or exchanged with the County Commissioner(s) related to said communication.

Prepared By: James Jontry Title: Senior Project Manager Date: December 10, 2015

Please see attached information. In addition, please reference the testimony of Chris Wood which includes letters sent to certain community representatives regarding the community representative forums.
