**MOTION TO PRODUCED LACLED RECORDS ON 7048-50 DARTMOUTH AVE &  
MOTION TO SUBPOENA ATT&T TELEPHONE RECORDS OF CESAR ALBA ON  
DECEMBER 19, 2006.**

Now Comes Cesar M. Alba requesting a motion to produce all Laclede Records on 7048-50 Dartmouth Ave five year prior to May 2006 and gas usage to the present under the new owner, to prove to you that individual conservation will definitely and positively will substantially lower the gas usage of the a resident if he exercise and use conservation methods.

The Claimant also request a motion to subpoena ATT&T telephone records in the morning of December 19, 2006 from 8:00 am to 11:00 am. The Respondent states on his Post-Hearing Reply Brief filed on June March 3<sup>rd</sup>, 2008 that they have the record of my odor of gas call to Laclede in the morning of December 19, 2006 at exactly 8:42 am. The truth of the matter is that the Owner called Laclede around 10:05 am in regards to the odor of gas right after the first Technician installed the new AMR and left at 10:00 am.

WHEREFORE, additional records and will be an added evidence to elevate the charges of negligence to fraud.

Respectfully submitted,

Cesar M. Alba  
Claimant
