This is fine but since you have a tendency to conveniently leave things out, let me state for the record that since as far back as April 3rd of this year, I've indicated that I've had several problems operating the electronic filing system, but I never received a correspondence back regarding it. This should address the "Communication between Mr. Muhammad and the Commission has been inconsistent because Mr. Muhammad does not use the Commission's Electronic Filing Information System ("EFIS")" statement.

I'll await the August date (8th - 12th) along w/the subpoena docs you say have been mailed.
