Re: Case No. TR-2001-65

Dear Judge Roberts:

Enclosed for filing with the Missouri Public Service Commission in the above-referenced case is an original and eight copies of Southwestern Bell Telephone Company's Direct Testimony of Craig A. Unruh.

Also enclosed for filing with the Commission in the above-referenced case are an original and eight copies of the Highly Confidential (HC) version and an original copy of the redacted (NP) version of Southwestern Bell Telephone Company's Direct Testimony of David Barch. As required by the Protective Order issued in this case, we are filing Schedule 1 to Mr. Barch's testimony under seal. Mr. Barch's Schedule 1 to his testimony is designated HC because it depicts the costs for providing switched access service. The Schedule contains market-specific cost information relating to services offered in competition with others and information relating directly to specific customers.

Pursuant to the Missouri Public Service Commission's March 14, 2002, Order Adopting Procedural Schedule, Clarifying The Scope of This Proceeding, and Concerning Motion to Waive Service Requirement and Motion to Compel Discovery, Southwestern Bell Telephone Company hereby notifies parties not represented by counsel that it filed direct testimony on July 1, 2002. This testimony describes Southwestern Bell's position in this case and cost study results for switched access service in Missouri. The cost study results have been classified as Highly Confidential pursuant to the provisions of the Protective Order issued by the Commission in this case. Any unrepresented party may obtain a copy of the filed material upon request and at no cost. Highly Confidential material will only be distributed in accordance with the Protective Order issued in this case.
