Good Morning,

This is a reminder that recently you should have received a letter invitation to the **Ameren Transmission Company of Illinois (ATXI) Mark Twain Transmission Project Community Representative Forums (CRF) and public open house meetings** that we will be holding in your area next week. Your participation in the CRF is critical to gaining region-specific information that is vital to the routing process. The CRF includes public officials, representatives of local municipal groups, agency representatives and other community stakeholders within the project area. As a participant, you:

- Will be briefed on the Project updates.
- Will become more knowledgeable and better able to respond to questions about the project from the community.
- May participate in the route development by helping prioritize criteria being considered and reviewing the reduced route network.
- Will be able to walk through the public open house meeting layout and speak with ATXI subject matter experts.

We want to hear from you! If you are unable to attend, a designated representative may attend in your place. Lunch will be provided at the CRFs.

To RSVP, please reply with the date and location from the list below, that you plan to attend. We hope to see you next week.

Community Representative Forums are from 11:30 a.m. - 1 p.m. (lunch provided with RSVP)

Open Houses are from 4 p.m. - 7 p.m. (refreshments provided)

The open houses are informal—the public is welcome to attend any time during the hours listed.
