CERTIFIED COPY OF ORDER

County of Marion    )  
                                  )  
State of Missouri    )

In the County Commission of said county, on the \_\_\_ day of \_\_\_\_\_, 2015, the following, among other proceedings, was had:

Now on this day the Marion County Commission, acting pursuant to Section 229.100, RSMo. (2000), does hereby assent to Ameren Transmission Company of Illinois', and its successor and assigns ("ATXI"), use of the public roads or highways of Marion County, Missouri for ATXI's Mark Twain Project (the "Project"), for the suspension of electric light, or power wires across said roads or highways in furtherance of its Mark Twain Project, subject to reasonable rules and regulations as may be prescribed and promulgated by the county highway engineer, with the approval of the county commission.

This assent is given with the understanding that ATXI will bear responsibility for the negligent acts or omissions of itself, its contractors and agents in connection with the activities for which this assent is given; and will indemnify the County and the County Commission from any third party claims related thereto.

**This assent is also given with the understanding that it is conditioned on receipt by ATXI of permission from the Missouri Public Service Commission to construct the Project or, absent such permission, a judicial determination that the Missouri Public Service Commission's permission is not required.**

This assent supersedes and replaces any prior resolutions of the County regarding the Project provided by or through the Commission.
