**ORDER DIRECTING MISSOURI-AMERICAN TO FILE INFORMATION  
REQUIRED BY STATUTE AND REGULATION**

Issue Date: July 20, 2016

Effective Date: July 20, 2016

The Commission issued a report and order, effective June 25, 2016, that allowed Missouri-American Water Company to modify its rates for water and sewer service. The Commission denied applications for rehearing regarding that report and order on July 20.

Section 393.275.1, RSMo 2000, requires the Commission to notify the governing body of each city or county imposing a business license tax of any authorized tariff increases exceeding seven percent. Commission Rule 4 CSR 240-10.060 requires Missouri-American to file certain specified information about its rate increase and its effect on cities and counties imposing a business license tax at the time it files its compliance tariff. The Commission's report and order directed Missouri-American to file that information no later than July 6. Thus far, Missouri-American has not filed the required information.

**THE COMMISSION ORDERS THAT:**

1. Missouri-American Water Company shall file the information required by Section 393.275.1, RSMo 2000, and Commission Rule 4 CSR 240-10.060 no later than July 26, 2016.
2. This order shall be effective when issued.
