ORDER DIRECTING STAFF TO FILE RECONCILIATION

Issue Date: July 20, 2016

Effective Date: July 20, 2016

The Commission issued a report and order, effective June 25, 2016, that allowed Missouri-American Water Company to modify its rates for water and sewer service. The Commission denied applications for rehearing regarding that report and order on July 20.

Section 386.420.4, RSMo (Cum. Supp. 2013), requires the Commission to cause to be prepared a detailed reconciliation containing the dollar value and rate or charge impact of each contested issue decided by the Commission, as well as the customer class billing determinants used by the Commission to calculate the approved rates and charges. The Commission will direct its Staff to prepare the required reconciliation. As required by the statute, any party may provide written input regarding that reconciliation. Of course, Staff may also confer informally with the other parties regarding the reconciliation.

THE COMMISSION ORDERS THAT:

1. The Commission's Staff shall file the detailed reconciliation required by Section 386.420.4, RSMo (Cum. Supp. 2013), no later than August 1, 2016.
2. This order shall be effective when issued.
